

Referred Out Testing and Special Requests

1. Referred Out Tests are labeled as REF OUT in the .pdf version of the [2015 Tests and Service Guide](#). These samples are referred out by PDS to another laboratory.
2. Prices for referred out tests are guidelines as referral laboratory prices are subject to change without notice.
3. Additional paperwork is required for species other than canine or feline that is going to the US. Please contact PDS to find out what additional paperwork is required.

Agent for Shipment form

1. An “Agent for Shipment” Form is required for all referred out tests that have “US” listed with the price (e.g. \$72.00 US).
2. Photocopy the “Agent for Shipment” Form with your clinics letterhead at the top.
3. Fill in all information except for the Waybill, Shippers Signature, Date and Country of Origin (items in box near bottom of page); they are for in house use only.
